Sponsorship Proposal

Mid Island Lightning Field Lacrosse Association is offering sponsorship opportunities to local businesses that will help with the development of our children and continued success for our association. We feel that our coaches, managers, parents and players by means of their own personal and team achievements; exhibit our commitment, dedication, hard work and success as an association. Being out in the community is the only way to be seen by the public. Continuing efforts by the Mid Island Lightning Field Lacrosse Association and its members on and off the field are paying dividends in the lacrosse community. Our association is now in its fourth year of existence and already, we are achieving 'excellence' in the sport of field lacrosse.

In our ongoing commitment to ensure the continued support of these talented players, we are approaching local corporate and private businesses with regards to our continuing endeavors. We have developed a seasonal sponsorship program, which includes team and/or individual player sponsorships. Your pledge will be advertised throughout our association, team jerseys and you will receive a tax receipt for your pledged amount at our season year end.

Levels of Sponsorship

**Jersey Sponsorship                      \$60.00**

You get your company name on the back of a player's jersey below their number.

**Team Sponsorship                        \$300.00**

Your company name listed on the team photo, and you receive a team photo. A team banner will also be on display at each game with your company as the team sponsor.

The experiences that these young athletes have today will be remembered for years to come. Your support will provide our children and teams with the means to have experiences that only a select few will ever encounter. Allowing these athletes these opportunities, will open the door to new friendships and allow these players the opportunity to play at higher levels of field lacrosse.

Thank you for considering our sponsorship proposal and in helping with the development of our National Sport. Please feel free to contact Shane Mousseau with any questions or concerns regarding sponsorships or our association endeavors.

Yours in lacrosse,

Shane Mousseau
